From the Manager's Desk

August... the dog days of summer are upon us. Although this is the time of year we are usually quiet in Naples, there are many activities for our summer residents to enjoy. Please see the article labeled "Summer in Naples" in the Social Calendar section for some fun and unique things to do.

We have several summer projects in progress at St. Raphael including the front entrance pavers and guest suite renovations.

Thank you to everyone who responded and offered feedback on the guest suite renovations. There were many great ideas and solutions offered to make the best use of this space.

Sincerely,
Lisa Philip

Visit our Website

Have you visited our website recently? Our latest update to the website is a photo gallery. Many of you have commented on how fun it is to see St. Raphael even though you are up north for the summer. We would welcome owner photographs of St. Raphael and Pelican Bay to add to this gallery.

Visit us and offer your feedback at www.straphaelpelicanbay.com

Notary Public and other Administrative Services

We offer notary public services to all of our ownership. All of the administrative staff are Florida notaries. If you need any document notarized, just stop at the office. We also offer copying, faxing, mailing services and administrative services, such as typing or filing under our Resident Service Program.

St. Raphael Updates

Summer Projects- We are working on a few summer projects this year. The front entrance pavers are being installed and should be finished by August 19th.

The Guest Suite
Renovations will be decided at the next board meeting in August. We had allot of good feedback from the ownership from the sample board that is on display in the lobby and emailed to everyone. The guest suites will be unavailable during the renovations which are targeted for completion by the end of October. If you were planning to have guests during this time, we can assist you with rates at a couple of the hotels managed by Guest Services. Contact our office for details.

The Fitness Room
Equipment will be delivered mid-September. We will be doing electrical work in the meantime to accommodate the televisions on the cardio equipment.
